

SeaSonde® Limited One-Year Manufacturer Warranty

Every SeaSonde has been thoroughly tested before leaving our facility. The hardware is warranted to be free of defects in workmanship and materials for a period of ONE YEAR from the date of shipment. Should a problem develop during this period, consult the factory and the defective part can be shipped prepaid to the factory for repair without charge. Any repaired or replaced part or product will be warranted for the balance of the original warranty period or for ninety (90) days from the date of repair, whichever is longer.

In order to honor the warranty, CODAR Ocean Sensors Ltd. (COS) requires operation of the system only by trained personnel. Authorized training is offered by COS either during installation of the system or at the COS California office.

This limited warranty applies only to products purchased from COS or its authorized distributors.

The limited warranty does not apply to any of the following conditions:

(a) The product has been subject to: abnormal use, abnormal condition, improper environmental conditions; unauthorized modifications, connections, repair including but not limited to use of unauthorized spare parts in repairs; misuse, neglect, abuse, accident, alteration, improper installation, Acts of God, or other acts which are beyond the reasonable control of COS; and fair wear and tear of the product.

(b) The product was presented for repair after the applicable warranty period. In such event, the normal COS service policies shall apply and the purchaser will be charged accordingly.

(c) The product serial number or the accessory date code has been removed, defaced or altered.

(d) The defect or damage was caused by defective function of the external network system.

The warranty is limited to SeaSonde hardware replacement cost only.

TO THE EXTENT PERMITTED BY LAW, ANY IMPLIED WARRANTY IS EXCLUDED AND THE FOREGOING WARRANTY IS THE PURCHASER'S SOLE AND EXCLUSIVE REMEDY AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. TO THE EXTENT PERMITTED BY LAW, COS SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PRODUCT.
